COURSE CURRICULUM	
<b>I. Course Learning Requirements/Embedded Knowledge and Skills</b>	
Course Learning Requirements	Knowledge and Skills
<b>When you have earned credit for this course you will be able to demonstrate that you have achieved the following skills:</b>	
1. Communication	<ul style="list-style-type: none"> <li>- Understand and speak the languages in which business is conducted</li> <li>- Listening</li> <li>- Reading, comprehending and using business written materials (i.e. graphs, charts, displays, etc.)</li> <li>- Business writing</li> </ul>

COURSE DESCRIPTION
<i>This course covers the "hand-on" component of the Co-op Option of the program of study. The course will provide Co-op students with opportunities to expand their knowledge and gain valuable work experience in their related field of study. Students will be exposed to state-of-the-art technologies and equipment. Students will also be exposed to team building, leadership, project management, product cycle, customer service and other work related skills.</i>

2. Think	- Critical, logical thinking to evaluate situations, solve problems and make the right decision(s)
3. Positive Attitudes and Behaviours	- Self-esteem, confidence - Honesty, integrity and ethics - Initiative, energy and persistence to accomplish a job
4. Responsibility	- Set goals and objectives for work and personal life - Time, money and other resource management to achieve established goals and objectives - Accountability for ones actions
5. Adaptability	- Positive attitude toward change - Recognition, respect for workforce diversity and individual differences
6. Team Work	- Contribute to organizational goals and objectives - Work within the culture of the group and organization - Plan and make decisions as a team and support the outcome - Respect the opinions of other team members - Exercise the "give and take" philosophy to achieve group results - Lead when appropriate to energize and mobilise team members for optimum performance

**I. Learning Resources**

- Job Description
- Organization Policies and Procedures
- Operational manuals
- Peers
- Managers/Supervisors

**II. Teaching/Learning Methods**

During this course you are likely to experience:

- Orientation
- On-the-job training
- Reading assignments
- Coaching
- Formal Training Programs

**V. Learning Activities**

Samples of learning activities include:

- Reading work related manuals
- Project outlines
- Work Assignments
- Group meetings
- Demonstrations

**V. Evaluation/Earning Credit**

The following will provide evidence of your learning achievement:

Final Report	Pass
Midterm Progress Report	Satisfactory
Final Employer Evaluation	Marginal or better rating
Other related Co-op documents	Completed and submitted

Any missed evaluation points will result in a grade of "F", except in the case of a documented emergency.

In order to pass the course, the students must:

1. Obtain a PASSING grade on their FINAL REPORT
2. Obtain a "MARGINAL" or better rating in the "OVERALL PERFORMANCE" section of their FINAL EMPLOYER EVALUATION.
3. Obtain a "SATISFACTORY" or better rating for all components in the "EMPLOYER COMMENTS" section of the "CO-OP WORK TERM PROGRESS REPORT"
4. Submit the above reports/evaluation and all other related Co-op Work Term documentation by their due dates.

**Students who fail to meet the above criteria will NOT receive a passing grade.**

**RELATED INFORMATION**

If you are a student with a disability please identify your needs to the professor and/or the Centre for Students with Disabilities (CSD) so that support services can be arranged for you. You can do this by making an appointment at the CSD, or arranging a personal interview with the professor to discuss your needs.

Students, it is your responsibility to retain course outlines for possible future use to support applications for transfer of credit to other educational institutions.
