

Gardening Courses

Join us for a great learning experience this fall at our evening courses!

This fall, the Lanark County Master Gardeners' Club will host four workshops dedicated to improving your green thumb as you prepare your indoor and outdoor gardens for winter. The Club has crafted together four workshops that tailor to each gardener's needs including houseplants, winter protection, fall gardening and fall containers. Below is the list of workshops on offer this fall, all of which will take place at the Algonquin College Perth Campus.

Course Name	Description	Date/Time	Cost
Maximizing the Vegetable Growing Season	The summer growing season is over but in this seminar you will learn to extend the vegetable season by planting a fall garden, including garlic. You will learn to use garden techniques such as straw bale gardening and how to use hot beds to get an early start on your vegetable crops in the spring.	October 9, 2014 7-9 p.m.	\$37
Houseplants	In winter, we focus our gardening indoors. You will learn how to care for your house plants including orchids and plants you brought in for the winter. You will also learn how to propagate these plants to increase your stock.	October 16, 2014 7-9 p.m.	\$37
Winter Protection	Last winter was very hard on our woody plants and perennials. This seminar will show you how to protect your investment by cleaning up your gardens in the fall and providing protection for the winter.	October 23, 2014 7-9 p.m.	\$37
Fall Containers Using Natural Materials	This is a hands-on workshop. Learn how to create containers and centre pieces using natural materials. The students will make their own container to take home. While pot will be provided, students are welcome to bring their own container. If possible, also bring your own secateurs.	October 30, 2014 7-9 p.m.	\$37

Enroll in all four classes for \$125!

To Register, call the Algonquin College Perth Campus' Main Office at 613-267-2859 ext 5691 or pop by the campus at 7 Craig St. in Perth. For more information, visit algonquincollege.com/perth-ce
