

General Carpentry Pre-Apprenticeship Program

Apply to Pembroke's 26-week, no-cost training course.

Get classroom instruction and hands-on training in the General Carpentry Pre-Apprenticeship Program. You will learn trade-specific maths, workplace communication, and essential carpentry skills like framing, roofing, and finishing. You will also earn safety certifications in WHMIS, Working at Heights, and First Aid/CPR. This training includes workshops to develop your résumé and interview skills. After training, you will complete a paid work placement, applying your skills in real-world settings transitioning into the workforce.

PROGRAM START: May 2025

LOCATION: Algonquin College, Pembroke Campus
1 College Way, Pembroke

LENGTH: 26 weeks. Includes an 8 week off-site paid work placement.

TIME: Monday to Friday full-time program

TRAINING INCLUDES: Primary trade= Carpentry (basic theory and hands-on training for the construction field).
Secondary trades= Refrigeration and Air Conditioning Systems Mechanic and Sheet Metal.

TUITION: **No fees.** This program is funded by the Ministry of Labour, Immigration, Training and Skills Development.

BOOKS/SUPPLIES: **No fees.** Textbooks, tools, safety equipment and required safety training are also included.

No tuition fee for eligible job seekers!
