SUBJECT: The Results Are In – Employee Engagement Survey

K. MacDonald

The results of the College's Employment Engagement Survey are in and all employees are cordially invited to attend a town hall session for a detailed presentation of the results.

We committed in August to take the time to ask our employees for their input and advice. The 2012-13 Employee Engagement Survey confirms what we have long known - that our employees are exceptionally proud to work at Algonquin. We will be presenting these findings as well as sharing what we can do to make Algonquin an even more rewarding place to work and study.

The first town hall session will take place at the Woodroffe campus on Tuesday, February 12 starting at 2:00 p.m. in Salon A of the Marketplace Food Court. To reserve your seat, please register at acengagementrelease2013.eventbrite.com/. Please note that a series of department-level sessions will follow.

If you are unable to attend in person, please consider participating via our live web stream. You can view the web stream by visiting www.algonquincollege.com/live on the day of the town hall.

Immediately following the town hall session, the full Employee Engagement Survey report will be posted to the Human Resources website along with more details surrounding the additional department-level sessions.

With over 1,300 respondents to this survey, please accept our sincere thanks for your participation in this process and we look forward to seeing you at the town hall.
