

Carolyn Jones

B. ARCH., OAA, OAQ, AANB, MRAIC, LEED AP

Architect / Principal, GRC Architects

Carolyn is an experienced bilingual Project Architect / Project Manager with over 22 years of professional experience. She has worked on a variety of development master planning, advocacy, pre-design, renovation, addition, and new construction projects for numerous institutional clients. She specializes in providing innovative, sustainable project solutions that meet the client's and community's needs that are comprehensive and forward-looking. She is

experienced in all stages of design, management, construction administration, and the coordination of multidisciplinary sub-consultant teams. Carolyn specializes in working closely with stakeholder / user groups, gathering information and skillfully incorporating it with the technical, functional and aesthetic requirements of the program, site context, and sustainable building design, as demonstrated in the success of her projects to date.
