

Dr. Simon Spooner

BSc (Est.Man), MRICS, PhD, MCifA

Associate Director, Facilities Planning and Sustainability, Facilities Management

Dr. Simon Spooner is the Associate Director, Facilities Planning and Sustainability and has worked at Algonquin College since 2022. Simon previously held the senior property position leading the Team 2100, a 10 year \$5.3bn program to refurbish and replace the tidal flood defences of London for the Environment Agency – Department of Environment, Food & Rural

Affairs (DEFRA) UK Government. Simon has over 32 years at director level in the private, public and Not for Profit sectors; where he advised at Ministerial and Cabinet level, for a number of governments including the Government of Ontario. Here he was the Statutory Decision Maker as the Marine Heritage Advisor. Simon has two distinctive professional expertise, as a Chartered Surveyor an advisor on all Real Property Matters and as a Maritime Archaeologist advising on the protection of underwater cultural heritage. Simon holds a Doctorate in maritime archaeology from the University of Bristol in the UK, a BSc in Estate Management from the University of Kingston and is a Member of the Royal Institution of Chartered Surveyors and a Member of the Institute of Chartered Archaeologists.
