

Request for Vulnerable Sector Check

October 16, 2024

Dear Sir or Madam:

The following student is enrolled in the Practical Nursing (PN) program at the Perth campus of Algonquin College for the 2025/2026 academic year:

Student Name:

Student #:

PN students require a Vulnerable Sector Check prior to undertaking mandatory unpaid practicum placements. As part of the PN program, students are required to successfully complete clinical placements within long term care, hospital, and community settings. Students will be working with members of the vulnerable sector and providing personal/health care for them in a position of trust and authority. This request should also include a search of the Pardoned Sex Offenders database.

All costs associated with obtaining a Vulnerable Sector Check are the responsibility of the student.

Should you require any further clarification regarding the PN practicum component, please contact myself at mcnultt@algonquincollege.com.

Thank you for your assistance.

Regards,

Tim McNulty, RPN
